How to Access Hospital and Network Providers for my benefit option

Medshield's Healthcare Provider Networks are easily accessible on the Medshield website and the Mobile app.

Medshield website (www.medshield.co.za):

- 1.** **OPEN** the Medshield website home page.
- 2.** Click the '**MENU**' dropdown and select '**MEDSHIELD NETWORKS**' on the Member tab.
- 3.** Navigate to and **CLICK** on your Benefit Option e.g. MediValue.

You will **FIND A LIST** of Provider Networks and Designated Service Providers (DSPs) for your plan.
- 4.** Simply **CHOOSE** the relevant plan and the Networks will be listed. These networks include Specialist networks, GP networks, pharmacy networks, chronic medicine DSP networks, dental and optical networks, SmartCare pharmacy networks, and oncology networks specific to each plan.

Each plan's list of Networks and DSPs has a **SMART SEARCH GEO LOCATOR** designed and built-in to make life easy. The Smart Search Geolocator feature lets you quickly find what you're looking for by typing in relevant provider name or practice number, or you can search by province and city keywords such as location, provider name, or practice number. This feature saves you time and eliminates the need for long, tedious searches.
To access the search screen, click on your preferred network and the search options will appear.
- 5.** Using the search options provided, **GEO LOCATOR INSTANTLY DISPLAYS A MAP** with the location results of the Provider you searched for.
- 6.** The GEO Locator displays a **COMPREHENSIVE LIST OF PROVIDERS** within the province and city you searched for.

This Smart Search GEO Locator feature also allows you to **EXPORT AND DOWNLOAD A COMPREHENSIVE MICROSOFT EXCEL LIST** of all the General Practitioners (GPs) on the Medshield Network under your specific plan. With this list at your disposal, you can confidently search for network providers even if technological failures prevent your access to the Medshield website. **SMART SEARCH CATERS TO EACH USER'S NEEDS**, providing quick and efficient access to crucial information, such as finding a network provider.
- 7.**
- 8.**

Medshield App

- 1.** **OPEN** the Medshield App and click on the '**MEMBER TOOLS TAB**' at the bottom of the screen
- 2.** Click on the '**LOCATE NETWORK PROVIDER**' button
- 3.** You will be rerouted to the Medshield website (**FOLLOW THE STEPS FROM 4 ABOVE**)

Ensure that your healthcare provider is part of your Benefit Option/Plan's relevant Network to minimise out-of-pocket expenses or co-payments.

How to Obtain a Hospital Pre-authorization

Hospital pre-authorization is an essential process that ensures cover for your hospital stay, treatment, or surgery. Getting approval in advance prevents unexpected out-of-pocket expenses and ensures your hospital admission is smooth and hassle-free.

Here is an easy guide to help you obtain hospital pre-authorization with Medshield.

1.

Confirm the Hospital is in the Medshield Network

Before starting the pre-authorization process, **check if the hospital you plan to use** is part of the Medshield Hospital Network for your benefit option or plan. You can easily verify this by visiting the Medshield website (<https://medshield.co.za/medshield-networks-2-0/>).

2.

Gather the Necessary Information

To obtain pre-authorization, **make sure you have the following details** on hand:

- Membership number
- Patient's name and date of birth
- Contact details
- Reason for admission - ICD-10 and tariff codes (ask your doctor for these)
- Date and time of the procedure
- Name and contact information of the admitting doctor
- Name and contact information of the hospital
- Estimated length of stay

3.

Contact Medshield Hospital Benefit Management

Once you have all the necessary information, **you can request pre-authorization** by:

- Calling Medshield Hospital Benefit Management at **086 000 2121** or **+27 11 671 2011**, OR
- Sending an email to preauth@medshield.co.za with the required information.

4.

Understand the Terms and Conditions

Upon receiving pre-authorization, **ensure you understand the terms**, including which services and procedures are covered. In cases where your hospital stay is extended or additional services (e.g. physiotherapy/dietician) and procedures (e.g. prosthetics or MRI/CT scans) are required, these may require separate pre-authorization. Failure to do so may result in out-of-pocket expenses.

5.

Pre-authorising Emergency Admissions

In case of an emergency, **you can get retrospective pre-authorization within 48 hours** of hospital admission. If you do not follow this process, you may not be covered for the claims related to the emergency admission. A request for late hospital authorisation may be submitted however it will attract co-payments payable by you to the hospital.

6.

Follow Up and Adjust if needed

If your hospital admission is postponed or you are readmitted for the same condition, you must contact Medshield to **update the authorisation**. If the admission or procedure is cancelled, notify Medshield to cancel the pre-authorization.

Following these steps ensure that your hospital admission goes smoothly and that the approved expenses are covered.

How to Apply for your Chronic Medicine and register on the Chronic Medicine Programme (CDL List)

If you have been diagnosed with a chronic condition you will require long-term medication. It is important to register your chronic medication so the payment of your medicine can be covered from your Chronic Medicine benefit and not your Day-to-Day benefits or Savings allocation.

FOLLOW THESE EASY STEPS:

1.

CALL OR EMAIL

Your doctor or Pharmacist can call Mediscor on **086 000 2120** (Choose the relevant option) or email medshieldauths@mediscor.co.za.

You will need the following information:

- Membership details: Benefit Option name and your membership number
- Patient details: Name, Dependant code (on the back of your membership card) and date of birth
- Your Doctor's details: Initials, surname and practice number
- Diagnosis details: What chronic condition has been diagnosed and the ICD-10 code
- Prescribed medicine: Medicine name, strength and dosing frequency

If additional information or a motivation is required, we will contact you and/or your treating doctor.

2.

REGISTRATION

Your registration will be evaluated in line with the Scheme Rules and Protocols by in-house qualified and registered pharmacists and pharmacy assistants. Your application will be processed according to the formularies appropriate for the condition and Benefit Option. Different types of formularies apply to the conditions covered under the various Benefit Options.

You can check online if your medication is on the formulary for your Benefit Option by visiting www.mediscor.co.za/search-client-medicine-Formulary/. If your medicine is not on the formulary for your Benefit Option you can ask your doctor if there is an alternative available that is on the formulary otherwise you will be liable for an upfront co-payment.

4.

CHRONIC MEDICINE

Take your script to the Chronic Medicine Designated Service Provider (DSP) network pharmacy for your benefit option/plan and collect your medicine, or have it delivered.

3.

AUTHORISATION

You will receive a standard medicine authorisation and treatment letter once your application for chronic medication has been processed.

If your registration requires additional test results or a motivation, you should follow up with your treating Doctor to provide this information.

How to Register the DTP PMB Chronic Care Programme

Accessing chronic treatment through the DTP PMB (Designated Treatment Pair Prescribed Minimum Benefits) programme requires collaboration between members and healthcare providers. Below is a simple step-by-step process to guide you through the registration.

1.

Consult with Your Doctor

Schedule a consultation with your doctor or General Practitioner (GP) to confirm your diagnosis.

2.

Complete the Application Form

Once the diagnosis is confirmed, your doctor must complete the DTP PMB application form available on the Medshield website at <https://medshield.co.za/members/scheme-forms-for-members/>.

4.

Review and Feedback

Mediscor will review the application and provide initial feedback to you, your provider, or your broker.

3.

Submit the Form

Your doctor must submit the completed form to Mediscor at medshieldapmb@mediscor.co.za.

5.

Check for Validity and Classification

Mediscor will verify the application to determine whether your request qualifies for DTP PMB or CDL chronic treatment. If it's for chronic treatment, instructions will be provided to send the form to medshieldsauths@mediscor.co.za.

6.

Processing the Request

If the application is classified as a DTP PMB request, Mediscor will use clinical guidelines to review and finalise the request.

8.

Annual Renewal

Ensure your DTP PMB treatment care plan is registered annually to continue receiving the necessary treatments.

7.

Outcome Notification

You and your doctor will receive the outcome of your request. Mediscor will issue a confirmation PMB letter and a treatment care plan if approved. If denied, detailed feedback explaining the decision will be provided.

By following these steps, you will receive the appropriate chronic care under the DTP PMB benefit.

How to Apply to Register on the Oncology Programme

The Medshield Oncology Disease Management Programme was created to ensure that cancer patients can access high-quality treatment and support through a network of designated oncology specialists. The Independent Clinical Oncology Network (ICON) is the Designated Service Provider (DSP) to deliver comprehensive cancer care.

Below is a step-by-step guide on applying and registering for Oncology benefits to receive the necessary care and treatment.

1.

Contact the Medshield Oncology Disease Management Team

When you receive a cancer diagnosis and are prepared to start treatment, contact **Medshield's Oncology Disease Management** team at **086 000 2121**. They will provide a list of ICON Oncology Group practices in your area. Once you have identified the most convenient practice, ask your doctor to refer you to an ICON Oncologist for treatment.

2.

Initial Consultation with an ICON Oncologist

Once referred, **schedule an appointment with your selected ICON Oncologist**. During the consultation, the Oncologist will discuss your treatment plan and submit it to Medshield for authorisation on your behalf.

4.

Renewal of Treatment Plan

If your Oncologist is not part of the ICON DSP network, you must consult with an ICON Oncologist when renewing your treatment plan. To check if your Oncologist is part of the network, contact Medshield or visit <https://medshield.co.za/medshield-networks-2-0/>.

3.

Treatment Plan Authorisation

The Medshield Oncology Disease Management team will collaborate with your ICON Oncologist to review and approve the treatment plan. **Once approved, an authorisation letter will be sent to you and your Oncologist**, detailing the treatment, quantities, and authorisation duration.

5.

Co-payments for Non-ICON Oncologists

If you continue treatment with a non-ICON Oncologist after renewing your plan, a co-payment will be applied, meaning Medshield will only cover a certain percentage of your claim. You will be responsible for the remaining balance.

6.

Follow Scheme Protocols

Oncology treatment is covered according to Medshield and ICON protocols, regardless of your Oncologist's network status. Ensure your Oncologist adheres to these protocols to avoid complications with claim payments.

These steps will ensure you receive comprehensive Oncology care through Medshield's ICON Network while maximising your benefits and minimising potential out-of-pocket costs.

How to Check and Submit Your Optical Claims

Get the most out of your optical benefits with our easy 3-step process for checking your available benefits and submitting claims.

FOLLOW THESE EASY STEPS:

1.

Confirm Your Optical Benefits

Before visiting your healthcare provider, confirm the availability of your optical benefit or remaining funds by contacting IsoLeso:

- Call: 011 340 9200
- Email: medshield@isoleso.co.za

2.

Details that should be visible on a claim

Ensure the following is displayed on your healthcare provider account before submitting your claim:

- Service provider (Optometrist) practice number
- Optical codes for frames and lenses
- ICD-10 Code/s
- Date of treatment

3.

Submit your claim

Once you've gathered all required information, submit your claim via email:

- Email: medshieldclaims@isoleso.co.za

For assistance or further inquiries, please contact the Medshield Contact Centre on **086 000 2120**.

How to Obtain Pre-authorisation for Dental Services

To ensure smooth access to your dental services, follow these simple steps to obtain pre-authorisation. Remember, confirming your benefits and providing accurate information is vital to receiving the necessary authorisation for your treatment.

FOLLOW THESE EASY STEPS:

1.

Confirm availability of benefits/funds

Before proceeding, ensure that your benefits/funds or savings for basic and/or specialised dentistry or maxillo-facial surgery are available. You can confirm this by contacting **086 000 2120**.

3.

Send an email for authorisation

Once you have the necessary details, send your authorisation request to the appropriate email address based on the type of dental service you require:

- For periodontic treatment: perio@denis.co.za
- For in-Hospital authorisation: hospitalenq@denis.co.za
- For specialised dentistry: customercare@denis.co.za
- For orthodontic treatment: ortho@denis.co.za

2.

Gather all required information

Make sure you have the following details ready when requesting pre-authorisation:

- Service provider (Dentist/ Orthodontist/Maxillo-facial) practice number
- Procedure/Dental codes
- Tooth number/s
- ICD-10 Code/s
- Treatment date
- X-ray results
- Letter of motivation for Orthodontic treatment or crowns/bridges and implants

Important Reminder: Cover for treatment under your option when the claim is processed, is subject to the Medshield's Scheme Rules, managed care protocols, exclusions, co-payments, financial limits, and/or available savings. All claims will be processed at the scheme tariff, provided your membership is in good standing with contributions paid up to date.

How to Access MedshieldMOM Additional Services

Motherhood is a journey filled with love, care, and responsibility, even before your child's birth. Medshield understands this special bond and is committed to walking alongside mothers through each pregnancy, childbirth, and post-partum phase. The MedshieldMOM website offers extensive resources and services to support mothers during this journey.

STEPS TO ACCESS MEDSHIELD MOM SERVICES:

1.

Visit the Medshield MOM Website

Start by visiting the Medshield MOM website at www.medshieldmom.co.za. This user-friendly platform is a hub of essential health, nutrition, fitness, and motherhood content, covering both pre- and post-partum stages.

2.

Register Your Pregnancy Journey

Once on the website, you can register your pregnancy journey by entering the specific week of your pregnancy. This registration allows you to receive tailored content based on the stage of your pregnancy, including professional advice, regular updates on your baby's development, and important reminders for doctor appointments and hospital pre-authorisation.

4.

Pre-Authorise for Hospital Admission

Before the birth of your baby, ensure that you obtain hospital pre-authorisation. Contact **Medshield's Managed Healthcare Programme** at **086 000 2121** or email preauth@medshield.co.za with the timeline from your doctor to complete the pre-authorisation process.

3.

Book Your Medshield MOM Bag

During your **third trimester**, you can request the exclusive MedshieldMOM bag packed with Bennetts products for your baby. To book your bag, email medshieldmom@medshield.co.za with your membership number, contact details, and delivery address.

5.

Register Your Baby as a Dependant

After your baby is born, register them as a newborn beneficiary within 60 days to ensure they are covered under your Medshield membership. If there are any delays in receiving the birth certificate, contact **Medshield's Contact Centre** at **086 000 2120** for assistance.

MedshieldMOM is here to support mothers at every stage, providing convenient access to vital services and benefits.

These simple steps can ensure a smoother, less stressful journey through pregnancy and beyond while enjoying the many benefits of being a Medshield member.

How to Access SmartCare Nurse and Nurse-led GP Virtual Consultations

SmartCare offers Medshield members convenient access to healthcare through registered nurse consultations and nurse-led virtual General Practitioner (GP) consultations with specified healthcare practitioners. This evolving healthcare benefit is designed to provide both acute and chronic consultations for various medical conditions.

Here's a simple step-by-step guide on how to access your SmartCare Benefits:

- 1. VISIT A SMARTCARE-SUPPORTED PHARMACY**
 Locate and visit a pharmacy that supports SmartCare services. Your SmartCare Provider Network is on the Medshield Website, www.medshield.co.za, under **Menu > Member > Medshield Networks**. **SELECT YOUR PLAN** and then choose SmartCare Pharmacy Network. Upon arrival, inform the staff that you would like to use the SmartCare service for a virtual consultation.
- 2. NURSE CONFIRMS MEDSHIELD BENEFITS**
 A registered nurse will confirm your Medshield membership and check your benefits to ensure eligibility for the consultation.
- 3. MEDICAL HISTORY REVIEW AND EXAMINATION**
 The nurse will review your medical history and perform a clinical examination. Based on the results, the nurse will either recommend Over-the-Counter (OTC) medication or advise that a doctor consultation is necessary.
- 4. VIRTUAL DOCTOR CONSULTATION** (if needed)
 If a doctor's consultation is required, the nurse will initiate a video call with the doctor. The nurse assists by sharing your medical history and results with the doctor, who will conduct the consultation remotely. **The doctor will generate a prescription and send it directly to the pharmacy.**
- 5. COLLECT MEDICATION**
 After the consultation, you can collect any prescribed or recommended medication from the pharmacy, whether Over-the-Counter or prescription medicine.
 SmartCare offers a seamless process for accessing healthcare without needing to visit a doctor's office. Using virtual consultations and with the support of trained nurses, Medshield members can receive timely medical advice, prescriptions, and treatments for both acute and chronic conditions.

Terms & Conditions: No children under the age of 2 may be seen for anything other than a prescription for a routine immunisation. No consultations related to mental health. No treatment of emergency conditions involving heavy bleeding and/or trauma. No treatment of conditions involving sexual assault. SmartCare services cannot provide Schedule 5 and up medication. Over-the-Counter (OTC) and prescription medication is subject to the Pharmacy Advised Therapy Script Limit as per the Scheme Rules and chosen benefit option. Clinics trading hours differs and are subject to store trading hours.

How to Register on the Medshield Website and Mobile App Member Login Zones

The member login portal on both the Medshield website and mobile App is designed to provide you with seamless access to your healthcare information. Whether using the website or App, registration is simple and essential for managing your health benefits.
